

**Sri Dhanalakshmi Match Works**

We breathe Quality

---

*Creating Happy Customers Worldwide*

## THE SD MATCHES STORY

Sri Dhanalakshmi Match Works is a well-established manufacturer of Safety Matches in South India since 1982. We have been growing steadily and occupying a remarkable position in the domestic and overseas markets all because of our reliable quality to our valuable buyers at affordable prices. Since its inception, the group has been committed to its aim of manufacturing high quality matches and offering them at competitive price, ensuring value for money.

## OUR INFRASTRUCTURE

An advanced infra structural framework is one of our greatest assets. It helps in facilitating the manufacturing process smoothly. SD matches is equipped with a wide range of advanced hi-tech machineries. We have 5 box filling machines and 2 million matches per day which inturn makes us the best in on time delivery.

## OUR TEAM

From 1982 to 2020, everything we do is about you. We strive to meet 100% Quality. We prioritize your need to get you in your way. We strive to keep you at your best and remain loyal to you. That's what SD matches and its experienced work force runs on.

## UNIQUENESS
